Frosted Holly FSC Mix

CT10 Contents: Sudoku Puzzle, Colouring In Sheet, Crossword Puzzle, Dot-To-Dot Puzzle, Sticker Set & Wordsearch Puzzle.

Did you know?

Holly's symbolic associations have their origins in pagan culture. A signature plant in early, formal gardens, prized by the Victorians and valued for its tolerance to pollution in industrial areas, holly is incredibly versatile.

The Druids regarded holly as a symbol of fertility and eternal life, thought to have magical powers. In Druid lore, cutting down a holly tree would bring bad luck. In contrast, hanging the plant in homes was believed to bring good luck and protection. Holly was also thought to protect homes against lightning strikes.

While other plants wilt in winter, holly remains green, strong, and its berries bright red in the harshest of conditions.

CT11
11 INCH CRACKERS, 50 PER CARTON
